
GCAN WEBINAR SERIES

presents

A TOUR OF THE OCEAN ACIDIFICATION INFORMATION EXCHANGE (OAIE)

by Julianna Mullen,
OAIE Community Manager

**Ocean Acidification
Information Exchange**
www.oainfoexchange.org

The Gulf of Mexico Coastal Acidification Network (GCAN) proudly presents Julianna Mullen, the Community Manager of the Ocean Acidification Information Exchange (OAIE). The OAIE is an online community for professionals involved with or interested in ocean and coastal acidification. Ms. Mullen will give an overview of the website, explain how individuals can join, and discuss how members can make the most of this social network.

DATE: TUESDAY JUNE 2, 2020 **TIME: 11:00 AM ET (10:00 AM CT)**

Please join the meeting from your computer or smartphone:

<https://global.gotomeeting.com/join/251950469>

You can also dial in using your phone:

+1 (646) 749-3122 (Access Code: 251-950-469)

Pre-Registration is not required.
