Nancy Rabalais | Nick Shay | Nan Walker

# GCOOS Proposal Template DEADLINE: Must be received by midnight EDT July 24, 2020

Format: 3-5 pages, 12-point font, single spaced, 1 inch margins

IOOS NOFO can be found here:

https://www.grants.gov/web/grants/view-opportunity.html?oppld=327286

Applicants must be members of the GCOOS-Regional Association.

Submissions that fail to comply with the proposal requirements will not be considered for inclusion in the GCOOS/IOOS proposal. Proposals are limited to a maximum request of \$100,000/year for up to five years.\* If less than 5 years of funding is requested, identify the years funding would begin and end. Individuals can participate in more than one proposal but can be the lead investigator on only one.

- 1. Project title and start/end dates
- 2. GCOOS Strategic plan focus area(s) addressed
- 3. Primary investigator (PI), Co-investigators and affiliations
  - a. Overview of project location and PI team location
  - b. Roles and responsibilities of each PI
- 4. Project description
  - a. Goals, objectives and activities proposed
  - b. Summary of methodology
  - c. Anticipated outputs and outcomes (environmental, economic, and/or social benefits)
  - d. Intended beneficiaries (stakeholders) of the activity

Gulf of Mexico Coastal Ocean Observing System 3536 Highway 6 South, #216 | Sugarland, TX 77478 | Tax ID 45-5039139

GCOOS.org | 979.847.8879 | info@gcoos.org

- e. Data management plan
  - i. What is the type, duration and frequency of data to be collected?
  - ii. Identify the data structure and format to be used.
     When applicable, Common Data Format is preferred (see <a href="https://ioos.noaa.gov/data/contribute-data/common-data-formats/">https://ioos.noaa.gov/data/contribute-data/common-data-formats/</a>)
  - iii. How will the data be made accessible to GCOOS?
  - iv. Restrictions to data access or use limitations (Creative Common No Rights Reserved or CC0 is preferred; see <a href="https://creativecommons.org/share-your-work/public-domain/cc0/">https://creativecommons.org/share-your-work/public-domain/cc0/</a>) \*\*
- f. If known, identify and provide contact information for the Data Management lead
- g. How will results be applied/shared across GCOOS?
- h. Has this proposal been submitted to another agency or organization? If yes, where and when was it submitted?
- 5. Budget summary and justification
  - a. Budget Total direct costs, Total Indirect Costs and IDC rate
  - b. High level justification of labor hours, travel, supplies, equipment, and indirect costs
  - c. Description of any match and/or leveraging of non-IOOS funds that will offset total project costs
- 6. Brief description of Outreach and Education activities and/or opportunities (note: funded projects investigators will be required to work with the GCOOS Outreach Manager to provide content and images for feature articles in the GCOOS newsletter and participate in GCOOS-hosted webinars showcasing project activities.)
- 7. Appendix (not part of the 5 page limit)
  - a. References and/or Letters of Support
  - b. 2-page CVs of PIs |
- \*Projects > \$100,000 per year will be accepted for HFR sites of 3 or more radars for operation and maintenance.
- \*\* Although all grantees shall retain all rights to data collected or generated, the grantee shall provide unrestricted access to the data,

without limitations. GCOOS-RA adheres to NOAA Data and Publication Sharing Directive (see

https://nosc.noaa.gov/EDMC/documents/Data\_Sharing\_Directive\_v3.0.pdf).
